# What's It All About?

DeMolay began in Kansas City, Missouri in 1919, with just 9 young men. Since then, DeMolay has grown to serve young men of all backgrounds, needs, and interests, and has had over 1 million members throughout its history. The name comes from Jacques DeMolay, a 13th century knight whose heroic example we now follow. Elizabethtown DeMolay has over 100 members from Elizabethtown, Middletown, Mount Joy, Hummelstown, and other Lancaster and Dauphin County communities.
